

A message for patients from patients

BE A SUPERHERO GET THE VACCINE AND BOOSTER

**THE VACCINE AND
BOOSTER ARE YOUR
BEST DEFENSE
RIGHT NOW**

The COVID vaccine
and booster help
keep kidney
patients safe and
reduce the severity
of the illness

Stay alert
Wash your hands
Don't miss treatments
Socially distance
Wear a mask

"I'm so happy I got vaccinated and boosted. When I did get COVID, the symptoms were mild enough for me to recover at home with no treatment or hospitalization."

Dawn E., kidney patient
